Re: Selmer Company, Elkhart, Indiana

Dear Mr. Fields:

This will confirm our understandings, as reached in a telephone conversation of January 11, 1989, concerning the provision of uncontaminated water to residences on Outer Drive in Elkhart, Indiana. You have indicated that Selmer will pay for bottled water, or will pay for filters, by directly contracting with private companies which supply same. Through the auspices of the Elkhart County Board of Health each resident will be offered an opportunity to select bottled water, a point of use filter, or a full house filter. Thank you for your continued cooperation.

Sincerely,

Charles McKinley
Assistant Regional Counsel
